Articles of Association of CEIEC, Caihong Branch

Chapter I General Rules

Article 1 CEIEC, Caihong Branch (hereinafter referred to as the “Branch”) is a foreign trade operation entity established under the laws of the People’s Republic of China. It directly carries out the import and export trades and foreign technical cooperation in relation to the use and sales of cathode ray tubes (CRTs). It conducts independent financial accounting and assumes sole responsibility for its profits or losses. The Branch is owned directly by CEIEC.

Article 2 Under the guidance of the unified national policies on the foreign trade, the Branch carries out foreign business activities in an effort to expand the export of mechanical and electrical products and to generate more gains on foreign exchange for the state, promotes the production of CRTs and develops new products to improve the quality, technical levels and international competitiveness of its products, serving the acceleration of the development of color TVs in China.

Article 3 The Branch should comply with the national laws and decrees, regulations and provisions, adopt the flexible practice prevailing in the international market and actively conduct the foreign trade business, according to the principle of equality and mutual benefit.

Article 4 The registered capital of the Branch is Fifty million yuan.

Article 5 The address of the Branch is within Shaanxi Color Kinescope General Factory.

Chapter II Business Scope

Article 6 Business scope of import: Raw materials, complete equipment, instruments and apparatus, tools and molds and their spare

parts necessary for production of CRTs; parts for CRTs; new models of single sample CRTs necessary for production or scientific research of CRTs, sample color TVs and color display terminals.

Article 7 Business scope of export: CRTs, color phosphor, shadow masks, glass-tubes and other electronic products.

Article 8 Hiring of technical experts, and introduction of new technologies necessary for production of CRTs.

Article 9 All the import and export business of the five-star company.

Chapter III Organization

Article 10 The manager responsibility system is adopted for the Branch. The Branch has 1 manager and 1 or 2 deputy managers, who manage the business of the Branch. The manager and the deputy manager(s) of the Branch should be appointed by CEIEC, after the opinions are sought from the parties concerned.

Managers' tasks:

1. Formulating and implementing the business guidelines and plans of CEIEC.
2. Formulating, putting into trial use and modifying the Articles of Association of the Branch.
3. Setting up the business organization of the Branch.
4. Examining and approving the work reports and financial reports of the Branch.
5. Appointing and dismissing key workers of the Branch, hiring employees of the Branch according to their abilities, and rewarding and punishing employees according to the assessment results.
6. Implementing all the systems of the Branch, and arranging for the work, study and benefits of the staff of the Branch.

7. Asking for instructions from and reporting to CEIEC in connection to the major issues of the Branch on a regular basis.

8. The Manager Office and certain business departments should be established for the Branch as required by the business of the Branch.

Chapter IV Operation and Management

Article 11 The business activities of the Branch should be subject to the unified policies, plans and administration of the Ministry of Foreign Trade and Economic Cooperation of the People's Republic of China, the economic and trade commission of the province and CEIEC.

Article 12 The Branch should establish relevant independent business and financial systems for the foreign trades.

Article 13 The Branch should establish the statistics system for foreign trades according to the unified national provisions.

Article 14 The export sales prices of and market arrangements for the exported products of the Branch should be subject to the leadership of CEIEC and be uniformly coordinated by CEIEC.

Article 15 The import business of the Branch should be operated according to the legal procedures. The imported commodities should be priced according to the principles prescribed by the state.

Article 16 The Branch should pay taxes on its exported commodities to the relevant tax authority in accordance with the relevant national provisions.

Article 17 According to the principle of scientization and modernization, the Branch should keep improving its operation and management for the best economic benefits.
